

## ASPIRITECH DELIVERS HIGH QUALITY, COMPETITIVELY-PRICED, DOMESTIC SOFTWARE QUALITY ASSURANCE AND TESTING SERVICES

Headquartered in our Chicago-based office, Aspiritech is your Quality Assurance and Testing Services partner.

We provide best in class Quality Assurance and Testing Services in all facets of the Software Development Lifecycle - while fulfilling our mission of employing uniquely capable adults with autism, led by a leadership team with extensive Quality Assurance/Software Development experience. Our client base ranges from Fortune 50 companies to startups of emerging technologies (see aspiritech.org.)

By harnessing the strengths of Asperger's syndrome and autism – attention to detail, precision, an affinity for repetitive tasks, strong visual processing, and outstanding technology skills-- Aspiritech delivers exceptional results in a cost-effective manner to a growing number of clients across multiple industries.

### Aspiritech Assures the Quality of its Services by:

- A stringent hiring and training program for test engineers on the autism spectrum
- Comprehensive End-To-End Test Coverage and Reporting
- 100% process transparency
